

NEW sequence for agents to get to product training as they proceed to become to RTS:

From the landing page below, the first click should be on the **Education button**.

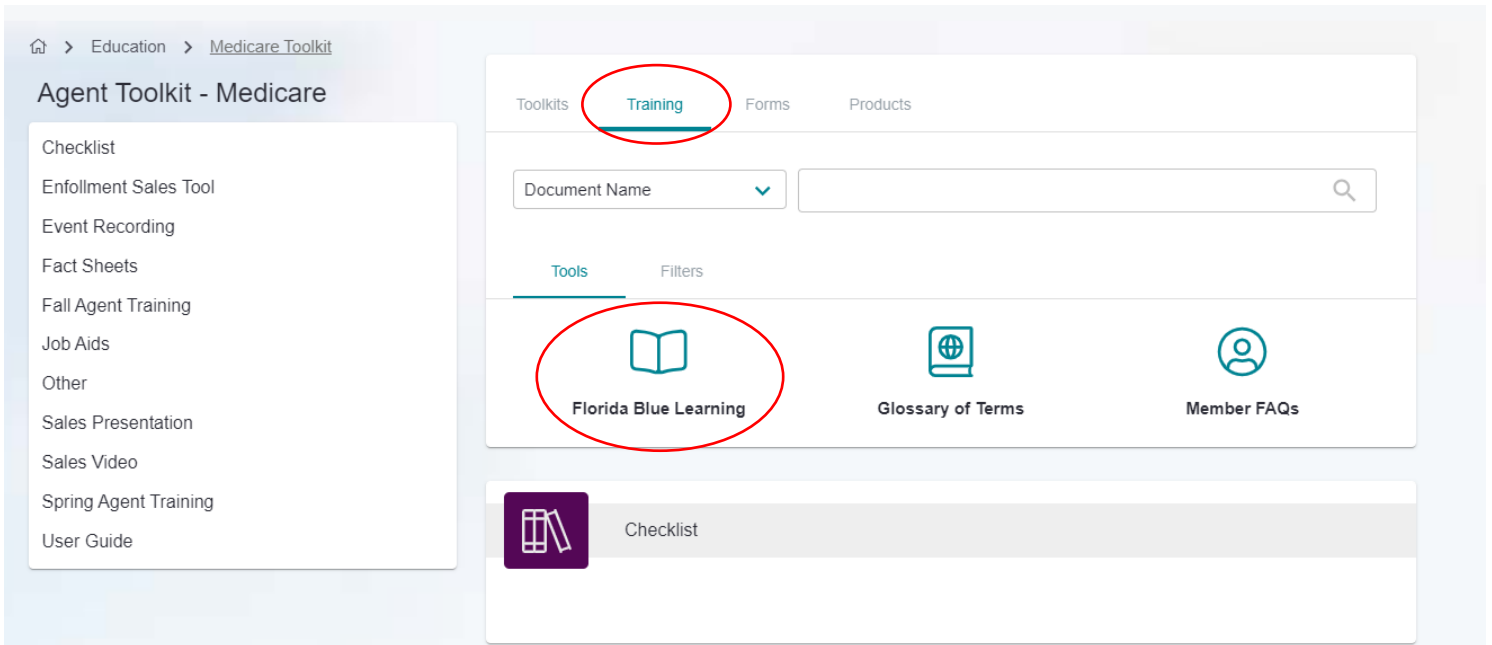

Next, click on **Toolkit** button and then click **Medicare Agent Toolkit**

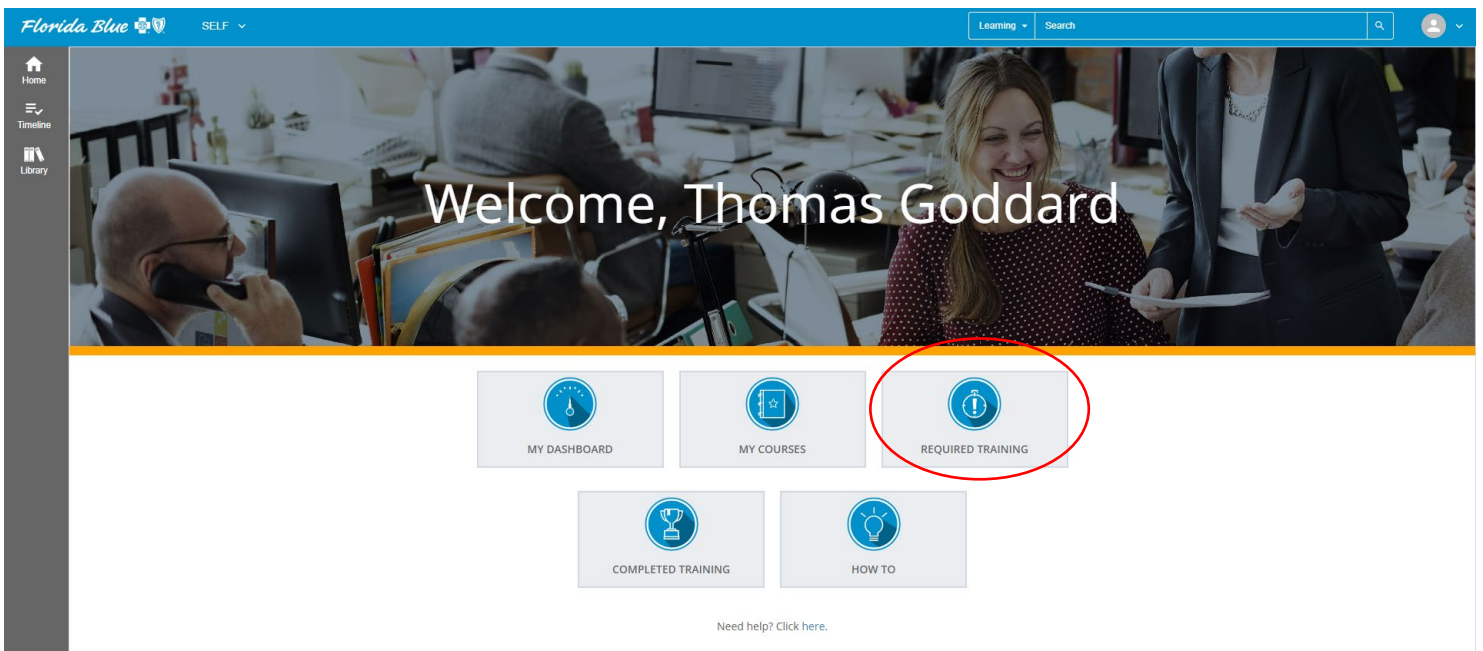

Once you are in the Medicare Agent Toolkit, you want to go to the **Training** button.

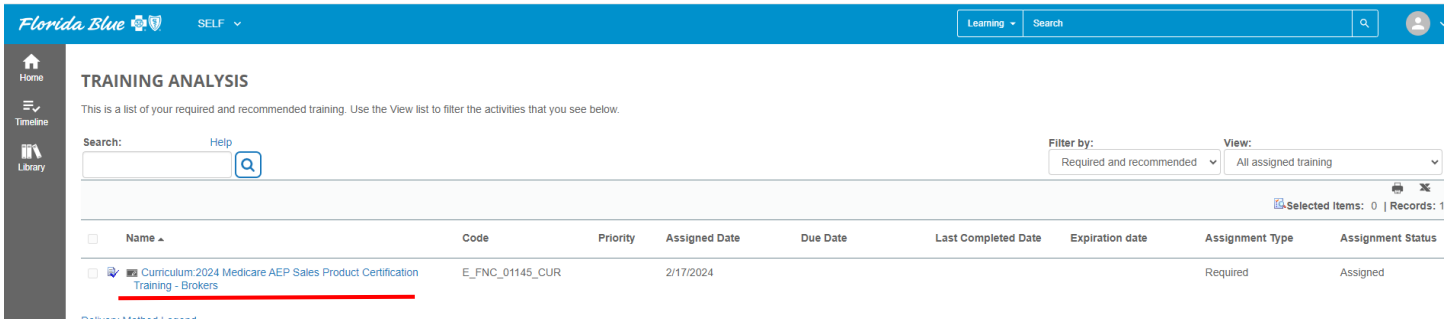

Once you are in the training you will look for the **Florida Blue Learning** and click on that button.

After clicking on the Florida Blue Learning button, you will look for the **Required Training Button**. Click on there.

That will open you up to the **Training Analysis** page which will have the **Curriculum 2024 Medicare AEP Sales Product Certification Training for Brokers** (and EMO and Exchange Agents).

The screenshot displays the 'TRAINING ANALYSIS' page in the Florida Blue system. The page includes a search bar, filter options, and a table of training activities. The table has columns for Name, Code, Priority, Assigned Date, Due Date, Last Completed Date, Expiration date, Assignment Type, and Assignment Status. One record is visible, which is highlighted with a red underline.
